Dear Linda and Barry

Re: Nero

Thank you so very much for travelling down to meet Nero and myself.

I just wanted to say how very impressed I was with your knowledge and teaching techniques and I was delighted to see Nero responding so positively. Although I have always been very committed to dog training I always approached it with a certain amount of dread as what I had previously learnt was so very confrontational. Your simple and kind methods will make dog training enjoyable and will help build and strengthen the bond of love and respect that I have for Nero and that hopefully he has for me (I am certain of the love it is just the respect that I need to work on!)

I look forward to attending some of your classes.

With best regards
